FOR AGED PEOPLE Old Folks Should Be Careful in Their Selection of Regulative Medicine.

SUPREME COURT AFFIRMS LOWER COURT JUDGMENT

Judgment debtors under the Utah statutes don't have to be heads of families to claim the benefit of exemptions, and an action against a marshal, sheriff or constable under a liability incurred in performing an official duty can only be begun within two years from the time of the accrual of such action.

The action was brought against Sheriff Emery, Deputy Sheriff Sharp and West to recover damages claimed to have been sustained by the wrongful seizure and sale of personal property, alleged to be exempt, under an execution issued out of the city court upon two judgments in favor of West and against Snow, from execution, begun between two and three years after the seizure, was barred by the statute of limitations.

Croup and Whooping Cough

The mothers of young children have no need to fear these diseases if they keep Chamberlain's Cough Remedy at hand. Mr. M. Davenport, of Pauls Valley, Ind. Ter., writes: "I have used Chamberlain's Cough Remedy in my family for several years, and have found it especially effective for croup and whooping cough."
